### **WEST VALLEY CELEBRATES 40 YEARS OF EXCELLENCE** **Serving the Silicon Valley and beyond since 1968**

SUNNYVALE, CA (June 25, 2008) – West Valley Staffing Group (WVSG), the Bay Area’s staffing leader and parent organization to West Valley Engineering, Prostar Staffing, West Valley Technology, and Accountants Now!, reached the 40 year milestone this year.

President and CEO, Michael Williams says, “I’ve watched this organization grow from one company to four specialty companies serving the entire Silicon Valley and beyond. We have a great team that strives for perfection on each account, loyal clients who recognize excellent service and employees who take pride in being associated with West Valley...that is what makes us who we are.” He continued to say, “This is an exciting year, it’s been 40 years and we’re not going anywhere, just growing”.

In addition to celebrating 40 years of excellence, this year presents West Valley with the launch of a new and improved website and continuous improvements to be “green”.

West Valley Staffing Group (WVSG) brings over 40 years experience providing comprehensive staffing services and solutions - through four specialty companies. Established in 1968 as West Valley Engineering, the company was one of the first in the valley to offer temporary technical services to Silicon Valley companies. In 1984, Prostar Staffing was founded to provide clerical and administrative personnel to the growing number of companies in the area. In 1995, West Valley Technology and Accountants Now! were founded to satisfy the demand for specialized information technology and accounting professionals, respectively. Today, all four companies fall under the umbrella organization, WVSG, which has offices in Sunnyvale, Pleasanton, and beyond.
