### **WEST VALLEY STAFFING GROUP NAMED ONE OF THE BAY AREA'S "BEST PLACES TO WORK"**

#### **Privately owned staffing group ranks #1 on list**

SUNNYVALE, CA (May 1, 2009) – West Valley Staffing Group (WVSG), has been named one of the “Best Places to Work” in the Bay Area for 2009 by the *San Francisco Business Times*.

The *San Francisco Business Times*’ annual list ranks WVSG as “number one” in the Small Business category, recognizing businesses with 51 – 100 Bay Area regular full time employees. WVSG was chosen to appear on the list based on an overwhelming response to an anonymous survey completed by employees who gave the organization high marks in a number of areas, including: corporate climate and culture, management policies, and benefits offerings.

“I am extremely honored that West Valley Staffing Group has been recognized as one of the best places to work in the Bay Area,” says Mike Williams, President and CEO of West Valley Staffing Group. “Our employees are our most valuable asset at WVSG. Every individual, role, and contribution is vital to our continued success.”

The entire list of the “Best Places to Work” in the Bay Area appears in a special section in the May 1 edition of the *San Francisco Business Times*. The section will also appear in the *Silicon Valley/San Jose Business Journal*.

In addition to being named one of the “Best Places to Work” in the Bay Area, WVSG was also recently named the “number one staffing agency” in Silicon Valley by the *Silicon Valley/San Jose Business Journal*.

West Valley Staffing Group (WVSG) brings over 40 years experience providing comprehensive staffing services and solutions - through four specialty companies. Established in 1968 as West Valley Engineering, the organization was one of the first in the valley to offer temporary technical services to Silicon Valley companies. In 1984, Prostar Staffing Services was founded to provide clerical and administrative personnel to the growing number of companies in the area. In 1995, West Valley Technology and Accountants Now! were founded to satisfy the demand for specialized information technology and accounting professionals, respectively. Today, all four companies fall under the umbrella organization, WVSG, which has offices in Sunnyvale, Pleasanton, and beyond.
