WARMING COMMUNITIES...ONE COAT AT A TIME

West Valley Staffing Group participates in the 2008 One Warm Coat project

SUNNYVALE, CA (December 29, 2008) –West Valley Staffing Group (WVSG), an independent and privately owned staffing company, is offering support to the community by collecting clean, reusable coats and jackets to assist the One Warm Coat community service effort. Coats of all shapes sizes are welcome and children's sizes are most needed. One Warm Coat is dedicated to distributing reusable coats, free of charge, directly to local children and adults. The program is a wonderful way to pass along coats and jackets that are no longer needed.

WVSG has made donating a coat simple. Just bring your clean, reusable coats and jackets to the corporate headquarters at 390 Potrero Avenue in Sunnyvale from Monday December 29th to Friday January 23rd between 8am and 4pm. WVSG will take care of the rest. All donated coats will be given to Sacred Heart Community Service (www.sacredheartcs.org) in San Jose for distribution to the community in need.

"We are thrilled that so many people across the country have received coats to help them stay warm. It's such a simple and easy way to show you care for people in need." says Lois Pavlow, founder of OWC.

One Warm Coat is a community service effort assisting in the collection of clean, reusable coats and jackets for donation to local individuals free of charge. Since its inception in 1992, more than 400,000 coats have been provided to those in need at no cost. For more information, please visit www.onewarmcoat.org.

West Valley Staffing Group (WVSG) brings over 40 years experience providing comprehensive staffing services and solutions - through four specialty companies. Established in 1968 as West Valley Engineering, the company was one of the first in the valley to offer temporary technical services to Silicon Valley companies. In 1984, Prostar Staffing was founded to provide clerical and administrative personnel to the growing number of companies in the area. In 1995, West Valley Technology and Accountants Now! were founded to satisfy the demand for specialized information technology and accounting professionals, respectively. Today, all four companies fall under the umbrella organization, WVSG, which has offices in Sunnyvale, Pleasanton, and beyond.
