### **WARMING COMMUNITIES...ONE COAT AT A TIME**

#### **West Valley Staffing Group partners with One Warm Coat to provide warm coats to people in need**

SUNNYVALE, CA (November 30, 2009) – West Valley Staffing Group (WVSG), recently ranked the #1 staffing agency in Silicon Valley, is collecting clean, reusable coats and jackets in an effort to assist the One Warm Coat community service effort. Coats of all shapes sizes are welcome and children's sizes are needed most. One Warm Coat is dedicated to distributing reusable coats, free of charge, directly to local children and adults. The program is a wonderful way to pass along clean coats and jackets that are no longer needed.

WVSG has made donating a coat simple. Just bring your clean, reusable coats and jackets to the corporate headquarters at 390 Potrero Avenue in Sunnyvale from Monday November 30<sup>th</sup> to Friday December 18<sup>th</sup> between 8am and 4pm. WVSG will take care of the rest. All donated coats will be given to Sacred Heart Community Service ([www.sacredheartcs.org](http://www.sacredheartcs.org)) in San Jose for distribution to the community in need.

"More people than ever need help these days. I am proud of the thousands of coat drive organizers whose creativity and generosity of spirit are making a real difference in their own communities." commented Sherri Wood, President and National Coordinator for One Warm Coat.

One Warm Coat is a national, non-profit community service effort assisting in the collection of clean, reusable coats and jackets for donation to local individuals free of charge. Since its inception in 1992, more than one million coats have been provided to those in need at no cost. For more information, please visit [www.onewarmcoat.org](http://www.onewarmcoat.org).

West Valley Staffing Group (WVSG) brings over 40 years experience providing comprehensive staffing services and solutions - through four specialty companies. Established in 1968 as West Valley Engineering, the company was one of the first in the valley to offer temporary technical services to Silicon Valley companies. In 1984, Prostar Staffing was founded to provide clerical and administrative personnel to the growing number of companies in the area. In 1995, West Valley Technology and Accountants Now! were founded to satisfy the demand for specialized information technology and accounting professionals, respectively. Today, all four companies fall under the umbrella organization, WVSG, which has offices in Sunnyvale, Pleasanton, and beyond.
