WEST VALLEY STAFFING GROUP'S PLEASANTON OFFICE MOVES TO NEW LOCATION

SUNNYVALE, CA (August 22, 2011) – West Valley Staffing Group (WVSG) announced the successful move of its Pleasanton office to its new location at the Hacienda West business park, at 3875 Hopyard Road, Suite 130. The office was previously located in the Hacienda Plaza at 5690 Stoneridge Drive.

For WVSG, the number one ranked staffing agency in Silicon Valley, the new office space means improved client service, new amenities for employees and room for growth.

"We are all very excited about the new facility. Our Pleasanton office has grown considerably in size over the past few years, and our new home accommodates our rapid expansion as well as providing greater efficiency in how we serve clients and associates," said Charlie Allport, Executive Vice President.

"We were fortunate to find such a nice space so close to our current office. We really wanted to limit the impact that relocation could have on our clients, associates, and employees. I don't think we could have found a better location for our team. Our new location and enhanced operational efficiencies will help us continue to grow and evolve to keep pace with our client's needs, allowing us to provide exceptional service along the way," said Michael Williams, President and CEO.

WVSG's new address in Pleasanton is 3875 Hopyard Road, Suite 130, Pleasanton, CA, 94588. The main telephone number is (925) 416-9707 and the main fax number is (925) 416-9710. The corporate office continues to reside in Sunnyvale at 390 Potrero Avenue.

West Valley Staffing Group, a privately owned staffing agency, brings over 40 years of experience providing comprehensive staffing services and solutions through four specialty companies. Established in 1968 as West Valley Engineering, the company was one of the first in the valley to offer temporary technical services to Silicon Valley companies. In 1984, Prostar Staffing was founded to provide clerical and administrative personnel to the growing number of companies in the area. In 1995, West Valley Technology and Accountants Now! were founded to satisfy the demand for specialized information technology and accounting professionals, respectively. Today, all four companies fall under the umbrella organization, WVSG, which has offices in Sunnyvale, Pleasanton, and beyond.
