### **WEST VALLEY STAFFING GROUP CERTIFIED AS A GREEN BUSINESS** **West Valley Staffing Group is now a certified Green Business by the Bay Area Green Business Program**

SUNNYVALE, CA (Thursday April 22, 2010) – West Valley Staffing Group (WVSG), is pleased to announce that they are furthering their commitment towards environmental causes by being certified as a Green Business by the Bay Area Green Business Program.

In order to earn the green certification, WVSG implemented a number of environmental improvements including switching to lower wattage green light bulbs, instituting a recycling program for all paper, glass, aluminum and plastic waste, working exclusively with green vendors, and only purchasing recycled paper products.

The Bay Area Green Business Program assists local business in implementing sustainable practices in their business operations, including measures to prevent pollution, protect water quality, conserve water and energy, reduce generation of waste, and increase recycling. To date, there are more than 1,400 certified green businesses in the Bay Area Green Business Program. More information on the program is available at <http://greenbiz.sccgov.org>.

West Valley Staffing Group (WVSG), an independent and privately owned staffing agency, brings over 42 years of experience providing comprehensive staffing services and solutions - through four specialty companies. Established in 1968 as West Valley Engineering, the company was one of the first in the valley to offer temporary technical services to Silicon Valley companies. In 1984, Prostar Staffing was founded to provide clerical and administrative personnel to the growing number of companies in the area. In 1995, West Valley Technology and Accountants Now! were founded to satisfy the demand for specialized information technology and accounting professionals, respectively. Today, all four companies fall under the umbrella organization, WVSG, which has offices in Sunnyvale, Pleasanton, and beyond.
